Location: Askvoll, Norway

Project description:

Our main target is young and elderly people.

Our purpose is:

To be a locally anchored meeting place, open for all who wish to participate in volunteering.

Establish contact across generations.

Be a resource centre for volunteering and a contact point for organizations and public agencies.

Our aims are:

Helping to strengthen and preserve the individual's social network and contact.

Coordinating volunteer work.

Encourage contact and cooperation between teams and organizations, and the public.

To day we organize several meeting places for the elderly. These meeting places have different contents; some have small cultural activities, other just tea, coffee and small talk. We also assist at the youth club and kindergarten. We arrange outdoor activities mostly in the summertime, but also sometimes during winter.

Volunteer profile: It is important that the volunteers must be self-assured, mature and adventurous. We want volunteers who are: Creative, adaptable, and able to work in team. Possess good communication and social skills. Have a clean police record requirement by law. Willing to learn Norwegian. Able to cope with a rough climate. Able to work independently if necessary. Willing to work at evenings and weekends, when needed in some instance.

Training during the project: Volunteers will be given the opportunity to gain diverse experience, which they can use in the future. Such as organising. Understanding of our culture and participation in teamwork are the implications of another learning.

Volunteering organizations will be a part of coursing/ training volunteers e.g Life support, formal learning and practical tasks, non- formal learning.

The volunteers will be allowed to propose, create and carry out their own project, if they want to.

Accommodation, food and transport arrangements: The municipality will cater for proper accommodation and assist if and when transportation are needed.

Pocket money and funds for food on a monthly basis.

How to apply: Send us an email with your CV and a converting letter in English language. Max. 300 char. We will also, if necessary have a Skype interview.
